

SpeakerSystem

HomeArena MX 2.1

2.1 SpeakerSystem

The attractive, economical 2.1 speaker system

The HomeArena MX 2.1 is an economical, rugged 2.1 speaker system for multimedia, games, music or DVD applications. A powerful subwoofer and two satellites not only feature clean stereo sound and solid bass, they're also eye pleasers with their sleek design.

The HomeArena MX 2.1 delivers a total power output of 22 watts RMS. Volume and tone controls are integrated, as well as a headphone jack so that you can give your neighbors a break from time to time.

The HomeArena MX 2.1 comes with a complete set of cables with RCA connectors and jacks, as well as separate wall mounting brackets. An X-Box™ and Playstation® adapter is included for perfect sound with your game console as well.
